# Cross-Cultural Community Garden

## Let's get out into nature! Enjoying life!

- Perfectly relaxing
- A garden for everybody,
- Experiencing a feeling of home,
- Interacting with other cultures.

## Harvesting together:

- Gardening together,
- Growing your own fruit and vegetables,
- Cooking and celebrating together,
- Gathering and sharing knowledge about plants and nature.

## Turning a hobby into a job:

- The garden is part of the training site of SOS-Kinderdorf Berlin.
- Students can explore nature here and get to know what the job is all about.
