Welcome to the Stuttgart-Fasanenhof Community Centre!

The SOS Children's Village in Stuttgart consists of a community centre and a nursery for children. Our community centre is a place where you can meet, talk and join in activities. It is also a place where you can discuss your worries and difficulties. Whatever your age, nationality or social background – everyone is welcome at our community centre! We are located at Europaplatz 28, directly next to the Europaplatz underground station, and look forward to welcoming you there. The community centre employs both full-time educational staff and volunteers. We warmly welcome everyone who wants to contribute.

Meet and interact with others in a family-friendly atmosphere!

Join us for lunch or a slice of home-made cake (on Thursday and Friday) in a relaxed and family-friendly atmosphere.

Our open forum offers lots of opportunities for meeting, interacting with others and taking part in activities.

We are putting families first! We offer a wide range of activities in order to assist and support families, parents-to-be, single parents and children, and want to be a partner you can rely on.

We also welcome seniors and offer different offers for all generations.

Our childcare rooms are set up so that children can play and move around freely. Every Tuesday and Wednesday we offer children, their parents and all those who are curious (no matter which age) creative activities. These services are free of charge. You can drop in anytime!

Lunch + coffee and cake

Mondays to Fridays, we offer a hot lunch from 12am to 2pm. You don't need to contact us beforehand, just come along.

Every day, our kitchen staff cooks home-made food from scratch in the childcare centre's kitchen. We make sure that meals not only offer a healthy and balanced diet, but are also tasty. We also offer cake, which is freshly baked in our kitchen. So feel free to come along for coffee or tea.

Group activities

We offer a wide range of different group activities for parents and children. If you want to find out more about our current activities, please consult our flyer or check the community centre's notice board. You are also welcome to call us and ask for more information.

Counselling services

Sometimes we come across problems in life that are difficult to deal with on our own. Is there something that you would like to discuss? Talk to us! Our counselling sessions are free of charge and everything you say will be kept confidential. If necessary, we can also arrange a meeting outside normal opening hours.
